The Southland Charity Hospital needs the assistance of skilled tradespeople to make our hospital operational. We're hosting a Tradies Evening to talk about how you can help this incredible cause.

**WHEN** Wednesday 26 August - 4pm

**WHERE** The Southland Charity Hospital build site – 99 Armagh St, Invercargill (formerly the Clifton Club Inn)

**WHAT** View the concept drawings, walk through with the design team, and gain insight into what is entailed in making the Southland Charity Hospital operational.

Sausage sizzle on-site.

The Southland Charity Hospital will provide free healthcare to the people of Otago and Southland who would otherwise be unable to access the care they need through the public or private systems.
